London 2026 Residential Parental WhatsApp Group

Our London Residential Whatsapp group has proved popular with parents and carers on our visits as an additional source of information (alongside the messaging service and the school's Twitter account). If you wish to be a member of this group, please read the following information, complete your details, sign and return.

I would like the following mobile telephone number(s) to be added to the WhatsApp group for the London Residential, 2026:

1st number: _____ under the name of: _____

2nd number: _____ under the name of: _____

The on-screen names will always include your child's first name and formats in previous years have been some combination of child and parent's name eg Fred's Mum, Fred's Dad, Mr Smith (Fred), Sarah (Fred) etc. with Fred being the child's name.

Unfortunately we have had mis-use of the group chat by parents on a previous trip. If this should occur then anyone doing so will be removed from the group.

*I understand that the account will not be monitored constantly.

*I understand that the school mobile will not be used to receive phone calls, should an emergency occur then school should be contacted in the usual manner.

***I understand that – by agreeing to be a member of this group – my telephone number and name will be visible to other members of the group.**

Once the residential is over the WhatsApp group will be closed down.
