We are really looking forward to when you come to White Hall.

We have planned an action-packed programme of adventurous activities for you. The activities will be fun, challenging and help you to work with others to achieve lots of new things.

While you are staying at White Hall try your best at everything and proud of what you achieve. You will be amazed at what you are able to do.

As well as during the activities, you will have lots of other chances to be successful at new things like being away from home, looking after yourself and your things, helping others and even making your own bed!

Get started by:

- Packing your bag with your parent so that you know what is in it and recognise your belongings
- Making sure everything has your name in
- Practise, practise and practise tightly tying (and undoing) your own shoelaces
- Practise, practise and practise putting on a bed sheet, pillowcase and duvet cover on a duvet

Kit List

Warm jacket / coat for travelling
Water bottle / flask
Wellies – only if already owned
Outdoor shoes / trainers for general use around the site (*Walking boots are provided by the centre)*
Indoor shoes / slippers for use in the centre
